Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 03 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A few early showers then sunny spells developing.

Today:
A cloudy start and quite murky around eastern coasts. Any remaining showers in the north soon dying out then dry and becoming brighter with some warm, afternoon sunshine. Maximum temperature 21 deg C (70 deg F).

Tonight:
A dry and clear evening with lots of sunshine but becoming quite breezy. Clouding over in the west with the threat of a few showers here, dry and clear east. Minimum temperature 9 deg C (48 deg F).

Friday:
A cloudier day with a few sunny or bright spells but also one or two showers popping up. Maximum temperature 18 deg C (64 deg F).

Outlook for Saturday to Monday:
Cloudy on Saturday with a few showers developing. Drier and brighter again on Sunday and Monday with light winds.
